

Junior Finance Professional (with Dutch or French)

Warsaw

The opportunity

As Junior Financial Professional, you will be working in a growing team within a prestigious global consultancy. Your role will be focused on supporting multiple Clients within Belgium, and you will have a chance to cooperate within a multicultural team. This is a new role in a young team, with real chances of moving up.

What we offer

- A chance to develop your finance-related skills through trainings and on the job
- A diverse and inclusive team in a reputable company of global reach
- A chance to work with top organizations in Europe and beyond
- Hybrid working for work-life balance (2-3 days a week from home)
- Professional growth and career progression opportunities

About the role

- Assisting in the preparation of VAT returns (book purchase & sales invoices, salaries, general ledger entries etc.)
- Assisting in the preparation of year-end-closing activities (reconciliations, analysis, accruals etc.)
- Assisting on internal and external projects
- Preparing and updating process documentation

Your profile

- Basic finance/accounting knowledge or experience
- University degree (Bachelor) in a finance-related programme
- Strong English and **fluent Dutch OR French**
- MS Office (specifically Excel) skills
- 1-year working experience preferred, but graduates are welcome!

Apply if you are

- Organized, structured and have good communication skills
- Quick to learn and have positive mindset
- Flexible, committed to deadlines and able to work efficiently in peak periods
- Able to work independently with minimal supervision
- Eager to start building your career globally
